

## Real Estate Auction - Pre-Qualification

Additional Auction Info: [Condo Auction Details >>](#)      [Auction Methodology >>](#)

Please Note: This pre-qual is a highly important process so that individuals do not raise the auction pricing with no real intent or ability to make a real estate purchase. This form is for the betterment of all Barrett Associates real estate auction participants. **YOU DO NOT NEED TO BE PRE-QUALIFIED** for financing before you bid. However, preference will be given to those who demonstrate that they are qualified to bid and buy.

Barrett Associates will not sell your information to any third party for ANY reason. Your information is safe, secure, and will be kept confidential.
